CTE Skill Certificate Test
Performance Documentation

This document must be submitted to the test coordinator along with the test scan sheets at the time of testing. It will be submitted to the USOE for the audit and a copy kept on file for two years.

Course: Computer Programming IA   **# Students in course:**
Test Number: 820   **# Students tested:**
School: **Date:**
Instructor's Name:

This is to verify that the students on the attached class roll* accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. The student is familiar with and uses a programming environment.

2. The student employs accepted programming methodology.

3. The student properly uses language-fundamental commands and operations.

4. The student properly employs control structures.

5. The student has demonstrated knowledge of current ethical issues dealing with computers and information in society.

6. The student has developed an awareness of career opportunities in the computer programming/software engineering industry and of its history.

Each performance is documented and kept on file for two years. (check one or more)

☐ Individual student performance tracking sheets

☐ A class period summary score sheet

☐ Recorded and identified in the class grade book

Instructor's Signature:_____

*Attach a copy of the class period roll and draw a single line through any student on the roll not accomplishing ALL required performance objectives at the 80% (moderately to highly skilled) level.
